

SHORT-TERM EXCHANGES

vary in length from several days to several weeks. Although you generally would not attend school in the host country, you may be able to tailor the exchange to match your interests or to include tours of specific places or regions. The four most common types of short-term exchanges are homestays, tours, family-to-family, and international youth camps.

WHAT IS ROTARY?

Rotary is a global network of community volunteers. Rotary club members are business, professional, and community leaders who provide humanitarian service, encourage high ethical standards, and help build goodwill and peace in the world. More than 33,000 clubs conduct projects to address today's challenges, including illiteracy, disease, hunger, poverty, lack of clean water, and environmental concerns.
